Thought for the day:

“Wherever you go, no matter what the weather, always bring your own sunshine”
- **Anthony J. D’Angelo**

President Terri Scholting presided over the meeting. The minutes from the July 8th, 2008 meeting were read by the group. John Harrington made a motion to accept the minutes; it was unanimously approved.

Spotlight Business of the Month – Farmer’s Bank of Cook

Farmer’s Bank of Cook has been in existence for 18 years, and Louisville, one of its nine branches, has been up and running for three years. They are launching online banking this year, for more information, please go to www.fbcdirect.com or stop in their branch between Taylor Quik Pik and Subway.

Treasurer’s Report – Treasurer John Plucknett

The BUILD account balance is currently \$5,100. \$1,500 of that was deposited from the Community BBQ. Some of that will have to go out to pay for food from the BBQ, so we do not have an accurate figure of profit from the BBQ.

Old Business:

- Community/Eastern NE Gun Club BBQ -

The Community BBQ went off as planned and it was a success. We will do more research for next year to try to make it even bigger and better. An extra special thanks to all the volunteers who helped.

- Special meeting: New Statement/Re-uniting BUILD & Community –

Over the past few years, BUILD has evolved and has become much more involved in the community and local events. Because of this, we need to reach out to local citizens, not just business owners. This meeting will take a look at new slogans for the BUILD group as well as ways to involve more people in our organization.
